

FAQs

What is an Escape Room? *An escape room is basically a series of live interactive puzzles that you solve as a group within the allotted time. You find items, discover clues, and solve puzzles. Each leads to a new clue which, when combined with other clues, gets you closer to your final passcode to escape the room.*

Will I actually be locked in? *No. You may leave at any time, but that won't actually count as "escaping" the room. Restrooms are available. The room has lights and windows and does not feel claustrophobic.*

Is it scary? *No. Your adrenaline might get pumping as you solve clues and find combinations, but nothing is scary.*

Do I need to be Lutheran? *No. The room is themed in honor of the 500th Anniversary of the Reformation, but no specific "Lutheran" knowledge is required.*

Can I bring my kids? *Probably not a good idea. The puzzles are designed for older teens and adults. Nothing will hurt your children, but they'll also be bored and possibly distract you from your puzzle solving!*

Where is this room? *Upstairs in Trinity's Yerger Building. There is a flight of stairs to reach the room. However, bathrooms are available on the same floor.*

What is an appropriate donation? *Commercial escape rooms charge approximately \$25/person. We are recommending between \$25-\$50 per group. All donations go to our social ministry/hunger work in the community.*

How do I register? *Click the link on our Facebook Page. It will take you to a Google Form. Use that form to make a reservation request. You will hear back about your request within 24-48 hours. We are scheduling primarily for Friday, Saturday and Sunday afternoons and evenings. If you need a different time, please note that on the form.*
