

Faithful TEACH is a 7 week training program for faith leaders whose faith communities are impacted by the HIV pandemic and who want to learn about HIV/AIDS in order to effectively minister to people living with the virus. Faithful TEACH instructs participants about faith-centered healing, ministry, advocacy, treatment and education. TEACH stands for **Treatment Education Activists Combating HIV**. The program is sponsored by Philadelphia FIGHT and we believe that compassionate people of faith are the key to holistic healing in HIV communities.
