Faithful TEACH is a 7 week training program for faith leaders whose faith communities are impacted by the HIV/AIDS pandemic and who want to learn about HIV/AIDS in order to effectively minister to people living with the virus. Faithful TEACH instructs participants about faith-centered healing, advocacy, treatment and education. The program is sponsored by Philadelphia FIGHT because we believe that compassionate faith communities are the key to holistic healing of HIV/AIDS.

We are always accepting applications. For more information contact Rev. Dr. Calenthia Dowdy at Philadelphia FIGHT
