The **Southeastern Pennsylvania Synod's Anti-Racism Team** has developed a new format for the anti-racism education required for all rostered ministers.

The new format consists of:

- One 90-minute Zoom meeting to introduce the curriculum. The first one for 2022 is planned for Saturday, January 29, 10:00 to 11:30 a.m.
- Nine online modules outlining the historical context of the systemic racism embedded in our current institutions. Participants will have at least nine weeks, at their convenience, to complete these modules.
- One in-person day-long session at a date and place to be announced, most likely on a Saturday in May.

This educational program is **free** to all participants.
