

**Reference and
Counsel**

**You Can
Change The
Institutional Church**

What exactly is Reference & Counsel?

Purpose

Through memorials and resolutions, issues can be raised for specific action to be taken by a body of the Church (*Synod/Churchwide*).

The Reference and Counsel Committee of each synod assists writers of Resolutions and Memorials by providing structure and format prior to Synod Assembly.

Additionally, Reference and Counsel serves Synod Assembly by bringing Resolutions and Memorials to the floor and making recommendations regarding their adoption.

Memorials and Resolutions - What's the difference?

MEMORIALS

Synod Assemblies ask Churchwide Assembly to pay attention to something.

Synod Assemblies can't tell Churchwide to do something.

Broad Topics

RESOLUTIONS

Synod Assemblies ask/direct Synod to do something.

Synod Assemblies ask Synod Council to reach out to Churchwide Organization or Church Council

Specific or local requests

Memorials & Resolutions

What are they and what's the difference?

MEMORIALS

- Synod Assemblies address Churchwide Assembly through Memorials.
- Address broad policy issues (World Hunger)
- Considered for action every three years by the Churchwide Assembly.

Memorials & Resolutions

What are they and what's the difference?

RESOLUTIONS

- Synod Assemblies address Synod (*Office of the Bishop/Synod Council*)
- Synod Assemblies wanting to address ELCA Church Council / Churchwide Units must go through Synod Council by means of a resolution
- Synod Assemblies wanting to address ministry partners must go through Synod Council by means of a resolution
- Have a narrower focus (Parental Leave Policy)
- Quicker response time

I have a concern I would like addressed, now what?

Questions to ask:

- Does my concern or issue relate to the life and ministry of this church?
- Is this a broad topic/concern or more narrow in focus?
- Am I seeking action from Churchwide Assembly (memorials) or Church Council (resolutions)?
- Am I seeking action from Synod Assembly or Synod Council (resolutions)?
- Does the Assembly or Council have the authority to honor the request according to governing documents?
- Is the action feasible, e.g. are there significant financial and staffing implications?
- What research do I need (social statements, policy documents, org charts)?

How do I write a Resolution or Memorial?

Title

Focused title that describes the subject of the resolution or memorial.

Whereas Clauses

The whereas clauses are the reasoning for the request. They are direct statements used to build a case for the action requested. You want to build the case and set the stage without writing a dissertation. The clauses must be factual and sourced. (*The Assembly does not vote on the whereas clauses.*)

Resolved Clauses

The resolved clauses, on which the Assembly votes, state the action desired. What should be done, how it should be done (all necessary actions), who should do it, and when it should be done.

**If there are financial considerations, the source of funding must be identified

What Does Reference and Counsel Do After They Receive a Memorial or Resolution

The committee reads through all submitted Memorials and Resolutions.

Researches all available governing documents, policies, and previous Synodical and Churchwide actions..

Prior to making a recommendation, they may be in conversation with the author(s).

Reference and Counsel Responds to a Memorial or Resolution

- a) Recommend adoption
 - b) Offer a substitute
 - c) Recommend to not adopt
 - d) Refer to appropriate committee,
board, church partner etc.

WHEREAS, we live in a world where more than 800 million people—one in eight people in our world today—are hungry; and

Whereas, in the United States, more than 50 million people do not know where their next meal will come from and 15.8 million children live in households that struggle with hunger; therefore be it

...

RESOLVED, that the Southwest California Synod memorialize the 2016 Churchwide Assembly of the ELCA to urge the Congress of the United States to renew and strengthen our nation's child nutrition programs by passing the Child Nutrition Reauthorization (CNR) bill in 2016 and bring the "Improving Child Nutrition Integrity and Access of 2016" to the Senate floor for a vote.

Note: All memorials will be examined for potential financial and staff implications. A summary of potential financial and staff implications will be provided in background information to the Churchwide Assembly.

Consider

- *Whereas* clauses provide background information and are not a part of the action. Each clause should state a reason for the resolution or memorial.
- *Whereas* clauses should be used sparingly. It is encouraged to submit just the resolved clauses as the resolveds contain the action for consideration.
- *Resolved* clauses must clearly and concisely state the desired action:
 - *What should be done?*
 - *How should it be done?*
 - *Who should do it?* (Churchwide Assembly or Church Council)
 - *When should it be done?* (timeline)
