

Forward Together in Faith 2024-25 Grant Application

Forward Together in Faith Grant Application

Thank you for your interest in applying for a grant from the *Forward Together in Faith* campaign of the Southeastern Pennsylvania Synod. We are SEPA together, the body of Christ in the five-county region of Southeastern Pennsylvania, called to share the Good News of God's love with all the world. The mission of our campaign is to support the communities of the Southeastern Pennsylvania Synod as we enter the changing mission field of the 21st century, in order to more successfully share the Good News of Jesus Christ. The goal of the *Forward Together in Faith* granting process is to provide resources to the congregations and ministries of this synod, in particular as those resources relate to the four pillars of the campaign, which are **Networking, Innovating, Communicating, and Equipping**. **A strong grant application will integrate at least one pillar into their project proposal.**

Networking: Creating and sustaining new networks and partnerships among congregations and leaders. Building bridges within the synod, and with other community partners.

Innovating: Prioritizing piloting new forms of ministry (such as worship, faith formation, and/or community service) and planting new communities of faith, particularly among underserved populations.

Communicating: Training/consulting for websites, social media, and use of other forms of media (e.g. video). Equipping the communication needs for events for communities, multiple congregations, and/or the larger synod.

Equipping: Training for lay leaders, mission/outreach based continuing education for rostered leaders, supporting seminarians.

The application deadline this year will be September 30. After this deadline, the grant team will meet in order to read applications. You will receive acknowledgement of receipt of your application within one week of applying. By December 31 you will receive approval or denial of your application. In the event of denial, you will receive an explanation. In the event of approval, you will receive a letter explaining next steps. Funds will be distributed annually no later than January 31, 2025.

A congregation or agency may only receive one grant per annual grant cycle. Grants will be considered ONLY for NEW programs/ministries, not ongoing ones. (NEW programs/ministries may include ministries started after January 1, 2024.) **Grants may NOT be used to cover salaries or honorariums.**

Thank you, again, for your commitment to moving *Forward Together in Faith*, being the body of Christ in southeastern Pennsylvania in the 21st century.

Kind regards,

The *Forward Together in Faith* Grant Team
